- > Ultra-Concentrated!
- > Low Cost-Per-Wash
- > Low Suds Formula

**FOR BEST RESULTS USING A TOP LOAD
WASHER:**

Start water filling the machine and add 2 oz
(2 scoops) and THEN add clothes!

**FOR BEST RESULTS USING A FRONT LOAD /
HE WASHER:** Add 1 oz (1 scoop) in detergent
holder. Use more or less to your needs.

COLD WATER / HARD WATER TIP: First
dissolve Country Save in a small amount of
water and then pour into washer!

WASHING DIAPERS: Rinse diapers with cold
water wash to remove waste. Wash in HOT
water using amount of detergent
recommended for your washer. Tumble dry
where possible.

FOR BEST WASHING RESULTS: Country Save
has been formulated for the safe care of all
washable fabrics. For maximum whiteness &
bright colors, Country Save Oxygen Powered
Bleach is periodically recommended. We
suggest that garment washing instructions be
followed.

INGREDIENTS: Sodium carbonate, Sodium
sulphate, Sodium percarbonate, Sodium alkyl
aryl sulfonate and Linear alcohol ethoxylate.

CAUTION: Contains Sodium carbonate and
Sodium Percarbonate. If swallowed, give 1 or 2
full glasses of water, induce vomiting and call a
physician. Avoid contact with eyes. In case of
contact with eyes, flush eyes with water for 15
minutes and get medical attention.

KEEP OUT OF REACH OF CHILDREN!
